

Module 3 Implementing microcredentials

Part 3.1 Configuring Moodle for Microcredentials

Part 3.1.2 Course Creation

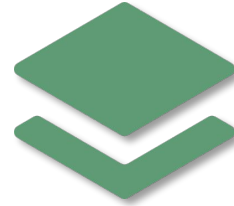

Co-funded by the
Erasmus+ Programme
of European Union

Co-Funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Education and Culture Executive Agency (EACEA). Neither the European Union nor EACEA can be held responsible for them.
Project No: 2024-1-SK01-KA220-ADU-000253202

Introduction

Duration: approx 40 minutes

In this unit “**Course Creation**” you will learn how to create a course on Moodle, including all settings and instructions.

The unit will be organized in the following:

1. Learn more on the Moodle platform (a series of additional resources are integrated if you want the know more about the topic)
2. Technical video on how to create a course on Moodle

Learning outcomes:

- Break down the operational process for implementing Microcredentials.

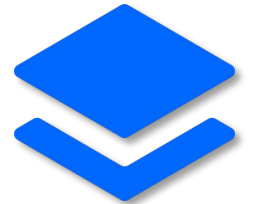

Table of content

Title	Slide
